“ MikeCaroland Marci and Matthew I can not express to you how I feel at the loss of the best father in law that a woman can have. He was an angel on this earth and I will miss him dearly. I thank God that I was able to know him and to love him. Rest in Peace Pap. For in the end we will save only what we love. We will love only what we understand and we will understand only what we are taught. I could not have picked a better Grandfather for my children. My love and prayers are with all of you. Love Beverly PS Marci and Matt I love you and want you to know that I am here if you need me. Mom
