“ Mrs. Dezelich Angie I just got the news that youre on your journey home and thought Id pass along a note. Ive never met you but boy do I know a lot about you. You see I know who you are because Ive met your son Steve and while Im not easily impressed your kid is a good man. If its true that the apple doesnt fall far from the tree well then you must be a fine and wonderful mom. I have to tell you about your boy Steve. While Ive just gotten to know him he appears to be dedicated to work and family and is very intelligent. What I really appreciate about him is his honesty integrity and morals. Hes a strong man who doesnt take any guff from anyone but will bend over backwards for his friends and family. Hes concerned about his dad and so would I if I were in his situation. That tells me he was raised properly and in a loving family home with a wonderful momma. Like I said I think I know a lot about you. Based on all that I know of you I know youll keep a watchful eye on Steve until he can join you. I also know that you will forever remain a part of his life through prayer and reflection. Take care Angie Dezelich. Its been great getting to know you though your son. Don & Jenny Owens
