“ Stas David and Teddy- I was so sorry to hear about your moms passing. I apologize that I wasn't able to make it to the services. Your entire family was such a big part of my early life. Annie was a great lady and I have fond memories of her. We still have an afghan that she crocheted for my mom years ago. Ted-Everytime I hear a siren I will always think that Teddy has to call his mom! Take care. Love-Joann

“ *Sometimes its very hard to be so far away from family at such a sad time. Im sorry to hear about Auntie Annies passing and I will always remember her by the things that she taught me - like how to crochet and cook the most delicious foods! Her spaghetti sauce Italian beef and bean salad are still my favourites... Know that I will be with you in my thoughts and prayers. Sending you hugs and kisses. Sherri*
