Crossing Over

Oh please don't feel guilty
It was just my time to go.
I see you are still feeling sad,

And the tears just seem to flow.
We all come to earth for our life time,
And for some it's not for many years.
I don't want you to keep crying,
You are shedding so many tears.
I haven't really left you,
Even though it may seem so.
I have just gone to my heavenly home,
And I am closer to you than you know.
Just believe that when you say my name,
I am standing next to you, I know you long to see me,
But there is nothing I can do.
But I'll still send you messages,
And hope you'll understand.
That when your time comes to "cross over,"
I'll be there to take your hand.
