“ Wow hearing about Christines illness took my breath away. Its so difficult to come to terms with losing someone so full of life and love. Christine was a very special person and a wonderful friend. When we taught together we had such fun--so many laughs. She was a great prankster. Above all she was a great mother. She loved her son and daughter so much. She talked about them with such love. I know shes home now and Ill see her again but Im going to miss her in the interim. My prayers are with you Mike Carol and Bob--especially this coming holiday. Be strong continue to trust in Gods plan and take care of yourselves. Much love.

“ I taught with Christine for about 10 years at Aquinas School in Merrillville. The staff and especially the children loved her. I will always remember that her students liked to be called Daumers Dorks:) She had a big love of teaching and an even bigger heart. She will be deeply missed and her husband and family are in my prayers.
