“ Dear Mary Emma and family We are so sorry to hear of Clydes passing. We have fond memories of both of you living on Lake Dalecarlia. Clyde was one of the first prsons we met as we were touring the area. If memory serves us correctly he gave us a tour of your lake house and the view of the lake from you deck. We are only a short distance away in Crown Point Just in case we can help you in any way our phone number is 662-9183 Again our deepest sympathy. Jim and Cathy Stablein
