“ Dear Mrs Smith Dave Charlie and Nancy Very saddened to hear about the loss of your dad and husband. He was a special person. I remember him as a kind and gentle man who treated me with respect when I was just a kid even though Im sure most of the time I did not earn it. What a testament to his kindness. This time of loss and sorrow has at the same time reminded me of the joy and laughter he brought to me (especialy during band trips) and for sure many many others. May God comfort you all during this difficult time and may he bring peace to you knowing that your loved one is in a better place and at real peace. All the best to you and your families. Sincerely Ed Paula and girls.

“ *Russ and I go back nearly 60 years. We started as roommates before we were married. One weekend we drove to northern Indiana and played 72 holes of golf on three course in two days. Another time one of our roommates was late getting ready for a date he needed to pick up at the train station. Russ picked her up for him. A true friend! On a serious note I and many others will miss Russ. He was a good friend. Charley*
