“ Dear Shirley Im not sure you would remember me or not but I worked with Darrell at Family Practice Network about 12 years ago. I was the front desk secretary. I will never forget how wonderful Darrell was. I could always count on a smile and a helping hand when I needed it. He always made the day a better one. I just heard of his passing over this past weekend 9/12/2009. I know its been over a year but I felt compelled to still send my condolences.

“ Dear Shirley and Family We were very sorry to read of the passing of Darrell on Monday and want to express our sincere sympathy to all of the family. We will keep all of you in our thoughts and prayers. Many happy childhood memories come to mind when I think of the times that my parents George and Marie Ahrens would take us to visit Frank and Maxine and their family. I also remember getting to know you Shirley and your family when we all lived on Buena Vista Street in Decatur. May God bless all of you and keep you in His care. Sincerely Ron and Jean Crane

“ Dear Shirley I was just thinking about you a week ago. About St. Marys Bob the old neighborhood etc. I wondered how and where you were and how everything was going for you. I was shocked and saddened to see Darrells picture and read the obituary. Where did the years go? Darrell was a good man and Ive thought of the two of you often over the years. You will be in my prayers Shirley as will your family. Be well and take care of yourself. Love Lorraine

“ Shirley and kids-I just dont even have the words to describe how wonderful Darrell was to me all these years as his assistant and friend. I will miss his wonderful calm voice of reason he always had with everyone including me. He never treated anyone badly or rudely he was always fair to everyone. He became a surrogate dad to me when my dad went to god 3 years ago and I will never forget this. He protected me and I protected him. Your family will always be my surrogate family and if you ever need anything please let John or I know. I will miss him so very much! Your friends always John and Mona Suppa

“ I met Darrel the first day he arrived in Crown Point and helped welcome and make him comfortable in his temporary home at St. Anthony Home in the executive suites. He has always been an even tempered caring leader who will be greatly missed. As a fellow Millikin Graduate and former Decatur resident we were kindred spirits and more recently reside in the same neighborhood. God bless Shirley and his family who will indeed miss this wonderful man.
