“ Grandma you will be missed by all. Your love and compassion will live on in all of us. We have been blessed to have such a remarkable matriarch in our family for these many years. The joys and memories you have made with each of us are numerous and we shall hold them close to our hearts. Although your presence will be missed we now have an angel to walk with us our remaining years here on Earth. With all our love Mike Toni and kids.

“ I knew Edie when I worked in Administration at St. Anthony for 15 years. She Mildred and Imelda were the housekeeping staff assigned to our area. Many a night I had to work late and I so enjoyed talking to all of them. Edie especially was a sweet gentle person. We talked of family faith and other very positive things. She always had a smile and a good word. One of the nicest people I ever met. God will reward her.

“ My memories of Edie go back to the time when I was a little boy and I remember her walking to work at Colemans. She always said hello to me and as time went by I found that she was a special person. I will miss her deeply.
