“ *Uncle Don Donna and Dave: I have only fond memories of Eleanor. She was the kindest person I have ever known in my entire life. I will never forget her. I loved sitting at her kitchen table in Glen Park. She always had something good to eat to serve with a cup of coffee but the best part was the conversations...the insights she had about life and the joyful way she knew how to live and love. We had so much fun and laughter at the Scherwood club. The highlight of many of my Christmas seasons was visiting with all of you.....Eleanor was the one who included everyone...she never discriminated. I was blessed to have her in my life and I will never forget her. I am so sorry for your loss. Fondly Phyllis Madison*
