“ Marlene - I have several fun memories of your mom....Eating at The Pier with our moms - they acted like long lost friends the great recipes I still have and one time when your boys were talking about their boogers and you were chastising them she said Theyre just boysMarlene and boys have to talk about their boogers. (Be sure to share this with Scott and Ryan)She was too sweet. Wish I could be there but know Im with you in spirit. Love ya Kathy
