“ I use to work with Jake at Hollister. I havent seen Jake in quite a few years but always wondered how he was doing. He was a great friend. I started to search for him on the internet in january with no luck. I decided to try again today and i found this obituary and prayed it wasnt his. I just wanted to find him to catch up and say hi and to tell him i just got married and to see where his life had taken him...i cant believe this. I didnt even get to say hi.... Jake you were an amazing man. A gentle giant. I have never forgotten you and never will...i am blessed to have known you. Love ya buddy.
