“ *Walking With Judy By Beverley Topa Take my hand and walk with me She beckoned with a smile. Come share a joke be silly folk Lets dance and sing awhile. Take my hand and walk with me Her smile seemed to say. Together we can touch the sun Make this a special day. Join with me in friendship Share my secrets and my fun. Walk with me and soon youll see Each day is a wondrous one! Come away and play with me In the land of the laughing child! Theres a pot of gold at rainbows end Lets find it! she beguiled. Joined in song we skipped along Through days of magic and fun. She taught me to dance and take a chance That each rainbow was the one! We took the walks we shared girl talks Lots of secrets dreams and laughter We touched each sun and every one Changed my life forever after! For Judys the one who brought the sun. She was the laughing child! Judy was the treasure at rainbows end And I was the one beguiled!*
