“ *Uncle Gee George Shirley & family: Aunt Jay has always held a special place in my heart for as long as I can remember. For many years she made my summers a special time bringing me to Tolliston for a vacation and I always got a new outfit to wear to school. Ill never forget the time Aunt Jay washed my hair in the kitchen sink(it was very long and always tangled terribly I used to cry when it was combed out). Aunt Jay surprised me with a new hair product called Tame cream rinse I thought that was the greatest product ever made. It was always a special day at our house when Aunt Jay and Auntie Annie came over with big bags of groceries and lots of goodies for us kids. The memories go on & on. Mom is here in Georgia with me after a hospital stay trying to get her strength back. We both cried when we got the call from Shirley. Mom says Aunt Jay was always there for her and she loves her very much as do we all. Aunt Jay---say hi to everyone up there in heaven when yaall have your family picnic. Love you always Maggie (Alice)*

“ *Mom We will miss terribly but there is joy in knowing that you will suffer no more. How appropriate that you died on Uncle Swipes birthday. I know you joined the celebration and somewhere in heaven the lyrics to Minnie the Moocher can be heard. We will carry the memory of you in our hearts forever and whenever I am in doubt of what to do I will ask myself What would you do? and I will know the right way to procede. Until we meet again. Your loving daughter Shirley*
