“ I met your mother several times and I'd like to share a story with you. My Aunt Esther passed away 2 years ago-but before that I was fortunate to have her live with me for 5 years. She kept in touch with June especially after she had been sick. Before that Aunt Esther lived in Florida and would come and visit me every summer. We often would meet with June for lunch-and the two of them would laugh and chat and the conversation and stories were non-stop. They just picked up where they had left off. Time and distance was never an issue. You see Aunt Esther (Ramsay) used to baby-sit June when she was a little girl and they all lived in Gary. And June's mother and Aunt Esther's mother were very good friends. In fact My mother was named Margaret because of that friendship. The Ramsays and the Titleys all grew up together years ago in Gary. It truly is a small world!! I know that right now everyone from the old neighborhood is welcoming June with open arms. June was a wonderful example of love compassion and putting her faith to work where it would do the most good. Please know that all of you are in my thoughts and prayers at this time. Take care my prayers and thoughts are with you today tomorrow and in the days to come.
