“ Just read in the Post Tribune about Junes passing. I am so very sorry. I hadnt known that she was so ill. I remember all the nice things you did for us when Russell was so ill from his brain tumor in 1991-92. Again our condolences to all of you. Sincerely Joe & Donna Keller Heuer

“ One could have never asked for a better Aunt or God Mother to have in ones life. My only regret is that I failed to keep in touch over these past years. It is in times such as this I often ask myself where have all the years gone by and how quickly those we love leave us and go on to the life there after. However I will always keep in my heart the many wonderful memories of when I was younger and was fortunate to be able to spend quality time with both her and my Uncle Ken. How can one give the proper condolences to an individual like my Uncle Ken who loses his wife of 60 years? Simply put there truly is nothing any of us can say to make his life any easier after losing his soul mate of 60 years. Im sure the only thing which can help you go on Uncle Ken is just in knowing that Aunt June is now with Wayne Barb and other family members who have proceeded her in her passing and that she is now finally being rewarded in Heaven for all the sacrafices she gave here while in this life. Anyone who knew her was blessed and touched by her heart. My only hopes and prayers are that we will all someday be together once again in Heaven sharing many laughs love and happiness as we once did her together on Earth.
