“ We have many memories with Uncle Larry. When he was a kid his parents would let him spend many nights with his older sister Elaine (my mom.) Even though I was little I remember those fun times. When he was older & started dating Gerrie they would take me and Dolly to Turkey Run Riverview & other places. At the end of his life and widowed he chose to live with my son Dan. They had fun together. He wasn't just a relative he was a friend that we loved. My husband Bob spent many times at casinos with Larry they even enjoyed a trip out west. We will miss him very much.
