“ Were going to miss Lenny a lot. He played a great Santa at Christmas time giving the gift of laughter. And throughout the year this generous man gave of himself doing favors for his many friends.

“*Rose Diane Victor Bruce Jenny and family- My deepest sympathies in the passing of Lenny. I remember Lenny and the band jamming in the garage on Avenue G as well as spending time with him at family parties. My most fondest memory is dancing with him to Paradise by the Dashboard Lights. Lenny had one of the best laughs Ive ever heard which went along with a big heart. Lenny also was the best Santa Id ever seen. God Bless you all during this difficult time.*

“*I just read the paper and saw Lennys name. My husband and I use to go see him when his band played and he always came to the shows my son Jeff DeBold and his band played usually at J. J. Kelleys in Lansing. The last time I saw Lenny was three years ago at my grandsons birthday party. Jeff went to pick him up because he was in town. Jeff lives in Kansas. Lenny called me on holidays and I will really miss those calls. I also will miss him playing Santa Claus for the grandkids. Please accept my deepest sympathies at this time of sorrow.*
