“ Although I did not know Marcella I wanted to take a moment to extend my sympathy. To lose a loved one at any age is hard as its our desire to be with the ones we love forever. Isaiah 25:8 mentions a time when God will swallow up death forever and wipe away all the tears from our faces. He also promises to reunite us with our loved ones by means of the resurrection to peaceful conditions on a beautiful new earth. (Psalm 37:1129 John 5:2829) It is my wish you will find comfort and hope from these thoughts in the Bible.

“ We are all very sorry for the loss of your mother and grandmother. she was the most wonderful person in our family. She had a heart of gold and was always there to listen and talk things out. When I was just a little girl I would run to her apartment on Avenue B just to get away from home. She always helped to calm me down. She always had cookies and coffee waiting for her company and despite all her effort I never did learn to play cards. I will always remeber her and I will pray for all of you during this time of loss. I know she will always be with us all in spirit. love to all of you.

“ *Marcella was my great grandma and I loved her unconditionally. My sister and I shared many unforgettable memories with her when she was alive. I know she will look down on us and continue to bless our lives. She was a wise woman could move faster than anyone in their 30s at age 99. She will be missed but never forgotten. My thoughts and prayers go out to my family each and every day. I Love you G.G! I will miss you but think about you each and every day.*
