“ No words or thoughts can ever express how great a woman you really were. Your belief and trust in the Lord has always assured you your rightful place in heaven with God and everyone who has preceded you in death. Your example of giving to those in need never judging those full of greed and forgiving those who had done wrong is what everyone should remember about you. I will do my best to honor your request to me and take care of your baby for as long as we both shall live. I look forward to seeing you again when my time on Gods earth is over. Love Always You Son-In-Law.

“Dear Marthal will always remember the good times we had together at the school. You worked me to death the first year and I loved it. We laughed all the time and you sure brought some great food. Christmas was never the same at the school after you left. You made the party. You always said that wouldnt it be great if you and Mary Lou could go at the same time? Well that wasnt meant to be but now you are together again. I will always miss you Martha. Love ya Jean

“Granny I love you so very much. I thank the Lord that we had some special memories together. 2 inches of black print in a newspaper doest cant explain to the world how much of a wonderful Grandmother you were. You have been there for all of us grandkids every single time we needed you. There is NOONE who can make chicken and dumplings like you or Bannana pudding that is out of this world! And yes granny I cook my ham like you used to. Your love of the Lord left an impact on me and others around you. I do hope you have the most beautiful pair of wings in all of heaven because you are a wonderful angel. Say hello to Grandpa Jones. Until we see each other again Granny.....XXXOOOXXX
