“ While at SSPP during elementary school Matt was my best friend! Matts leadership skills and athletic ability in grade school were unbelievable. He always came through during crunch time. The memories of playing 3 sports year with him were the best times in my childhood years. After all of the time that has followed these days including the distance and space the news of his passing is heart breaking. Take care old friend may you sleep in heavenly peace and may God look after you and your family as you all transition through this most difficult time!
