“ Dan & Kathy Im sorry to see that Mike passed away. Because of work I was unable to attend the service. Although it has been many many years I still have good memories of going to your house when our parents would get together. I did not know that you mom had passed. My mom has been gone about a year and a half and my dad about 7 years. Time does have a way of getting away from us. Take good care Sharon

“ Kathy so sorry to hear about Mickey. I remeber when we were kids and I hit Mickeys car with a snowball and he got out and chased me down and said Oh Meschede dont do that again to me! I was never so scared in my life and was so glad to see it was Mickey and not anybody else. You and your family will be in our prayers. Love Jacki Meschede Turner
