“ To all of Nancys family Im so sorry to hear of her passing. Nancy was a gentle kind hearted soul. She always greeted you with a kiss smile or handshake. The Forneys used to live by us in Merrillville. My mother and her mother were good friends. I think of Marian and Terry often. Nancy used to drive Terry crazy it was quite funny. They were all good people. Im glad they all together again Nancy when you see my mom give her a big hug and kiss from me. REST IN PEACE Nancy.

“ Dear Pat I was so sorry to hear of Nancys death. I last saw her about six or so months ago when I stopped at the center. (Maybe longer than that) She seemed in good spirits and happy. What happened? When did you move to NJ? werent you in Atlanta? somewhere like that. Anyway I stop at Terrys grave now and then and put a flower on it. Thinking of you... Love and prayers Joanie Pehlen.
