“ Dear Sis Its hard to put into words what I am feeling now because the void in my heart can never be filled without you. So many times I have picked up the phone to call you and then realized that I cant anymore. I will miss our talks and will always remember the wisdom you were so blessed with. I know the fond memories of what we shared together and our children will help to make each tomorrow a little better a little brighter & lighten the sadness I feel. You will always be with me in my heart & the memories & love will live on forever. Rest in peace Dear Sister & someday we will meet again. Love Always.
