“ *I am a long time co-worker of Carol Polomchak, and I just wanted to express my condolences on the passing of her father. She and I would always talk about the health of our parents, and how difficult it was being away from them at this point in their lives. I hope that your family can take comfort in the fact that your father is in a much better place now. My thoughts and prayers are with all of you at this time.*

“ *When I saw Carolyn carrying food out to the car today I put two and two together and looked at the obituaries and sure enough there was Peter Polomchak. I am very sorry for you and your family, please accept my condolences.*
