“ *Goodbye Angela Williams In our minds we always knew this time would come to pass. But knowing it and living it has come and gone so fast. Goodbyes are often hard to say they hurt so very much. Though youre not gone. You still remain in the minds hearts and lives youve touched. I am going to miss Uncle Ray it happened so fast. My heart is hurting for our entire family.*

“ Uncle Rays smiling face stories and most of all caring for me will be missed. He was more than an uncle and more like a dad. I remember him staying up after working midnights and taking me to find a job and so much more. Uncle Ray and my dad were best friends for a long time and that may be part of our connection but then he became family. He and Aunt Pat have always looked after me from the time I was a child. I could always count on them to this day to be there for me. I hope I can find the words to help comfort Roxanne and Brad like Uncle Ray did me on the day of my dads funeral. I love you. David
