“ We would like to extend comfort to the family of Bob Jacob. I grew up with Bob and worked with him while serving at Trinity in the 70s. Today's (December 15) Portals of Prayer gives hope: A woman was dying. The pastor seeking to discern her faith asked her What if in spite of all Jesus has done for you God would condemn you? The woman revealed her faith If He does He will lose more than I will. I would lose my soul but God would lose His honor by breaking His promise that His Word endures forever. I Corinthians 2:5 ...so that your faith might not rest on man's wisdom but on God's power. We are thinking of you in your hour of sorrow and extend our heartfelt sympathy. God is our refuge and strength. a very present help in trouble. Ps 46:1. May He be with you. Dave and Maggie Gruenhagen
