“ Aunt Vicky Vicky and Johnny and to your extended families my thoughts and prayers for your continuous strength as you took care of each other and Uncle Bob for the past months were with you. I wish I could be there with you all (13 years in the south sorry) now. We have all come a long way together and those memories can never be taken away. Dig deep on those tough days and he will still be able to make you smile. Love Nancy

“ Aunt Vicky Vicky John and Families I am sorry that your father my uncle has crossed the bar. While underway when we performed the Burial At Sea Ceremony this poem was read aloud. Crossing the Bar Alfred Lord Tennyson Sunset and evening star And one clear call for me! And may there be no moaning of the bar When I put out to sea But such a tide as moving seems asleep Too full for sound and foam When that which drew from out the boundless deep Turns again home. Twilight and evening bell And after that the dark! And may there be no sadness or farewell When I embark For tho from out our bourne of Time and Place The flood may bear me far I hope to see my Pilot face to face When I have crost the bar. All my love Tim.
