“ Tom Mike Suzie and Jackie Its not uncommon in Indiana to see kids playing basketball with their dad. The best dad I ever saw play was Uncle Bob. What made him the best was he would play with his kids. He didnt need a reason he would just jump in the middle of a game and play until everyone was worn out or beat to a frazzle. I remember the shared laughs he had with you all and how proud he was of his family. We are so sad for your loss and send our sympathies. All our love the Venturella Family

“ Dear Meschede Family Like many boys in Ranburn Woods during the 50s we all grew up in the Meschedes front yard. A couple small memories - Bob was our BIG brother. We played touchdown football where we would try and run for a couple of yards into the end zone. Bob and his buddies would let us score once in a while. We played until 10:30 or 11:00 at night. Bob played a great game of Horse and again on occasion he would let us win. A rumor of a peeping tom sent Bob and Carl Horvath along with a few of their buddies out looking for someone the next couple nights. We all felt safe. On a few very cold winter mornings we ST. Marks kids would pile into Bobs old Chevy and off wed go. The old speedometer needle would go round and round. Even at stop signs the needle would point to 70 mph. We all thought that was so cool and so was Bob. May God grant him eternal reward and comforting blessings to you. Peace
Jim Spicer

“ Dear Bobby Ray We miss you dearly. We will cherrish all the memories we shared together. You had the greatest sense of humor. Let us never forget the time when we were on vacation for Jims wedding and you told off the waiter in the restaurant we were at YOU SUCK! or the time when you stood up at dinner boat for Jims wedding and took the table cloth with you yet everything else left on the table remained untouched. No matter the dull moment you always found a way to make us all laugh and put a smile on our faces. Bobby Ray may your spirit live on forever. Cheers to the good times we all shared. Let us all raise our glasses with a good shot of Makers Mark. You were always there for us. God Bless you and may you rest in peace.

“ To the family of Robert Meshede My name is Dianne Kiser and I knew Bob very well many years ago. I met Bob at McColllys where we both worked. We struck up a friendship immediately. Besides working together Bob and I did go out together on occasion for about a year and we were great friends. It has been awhile now that I have seen him and was greatly saddened when I learned he had died. He was such a great guy he was a great friend to me and even though we havent seen each other much in recent years I think of him often. I have met all of you during the time Bob and I were seeing each other and I know that he loved all of you very deeply. His family was what was most important to him. Im sure you all know that and I know he will be missed greatly. Please accept my deepest sympathies and know that I will remember you in my prayers. Im sorry I am not able to make it to the wake or funeral but I will be there in spirit. Sincerely Dianne Kiser
