“ As a child growing up Aunt Rose was always one of my favorite relatives. She was always happy and full of life. I remember visits from Susan Carol and Kenny. Though we didnt get to see her often she was in my thoughts. Every time I drove through Hobart I would think of her. That was actually quite often because I used to work in Hobart and take my kids to the Hobart Pool. She will be greatly missed. Sorry we cant make it to her memorial. Steve and Bonnie Selman also asked me to send their regards. They are in Tennessee and wont be back until Tuesday.

“ *My deepest sympathy goes out to the Hohrun family. Mrs. Hohrun was the librarian at Riley School when I attended there. Marlynne Hanaway and I would help her out all the time. She would let us in the school during summer break to help her set up the library and get us out of class to help her too. We thought the world of her and always will and we will never forget her.*
