“ Sue was my sister in law for many years and she was always very good to me and my family. She always greeted me with a smile and a heartfull of love. To her family I am sorry for your loss. Know that you will see her again one day in Heaven..and when I see her there she will have that big smile for me..once again. May God hold you close to him always. May he help you in the coming days and months with your sorrow. Find comfort in the Lord.

“ Dear Bob Tom and I are shocked & dismayed at your loss. I hope you know that we consider you family and will do anything we can to help you through your loss. Sue was so vibrant I cant believe shes no longer with us. She helped so much with Danis shower. Im glad she was able to enjoy her newest grandchildren at least for awhile. I will help them remember her from pictures and stories. Ill miss her grape salad. Try to remember the little things...It will help. I promise.
