“*Regretfully circumstances prevent from coming to the services. Ted was first and foremost dedicated to his family and especially to the education of his grandson Chris. He left the world a better place because he lived the life that he did. He will be missed by his family members of the Sheriffs Department and his many friends.*

“*Capt. Nowakowski was one of the best Supervisors I had when I joined the Lake County Pd in 1975. He truly cared about his officers. I respected him and I considered him a good friend. When we would see each other at FOP meetings or department functions He would always speak and inquire about my family and my current assignment and what I was doing. He will be greatly missed by me and many others on the department who knew and cared about him. Well done Capt. You have earned your rest. God speed and God Bless. Sgt Lynn B West*
