“ Uncle Tim was part of my family for almost 20 years. He also has been around me since I was a Little Boy At one time he gave me a job working for his lawncare company. He was a good man. And was always fair with me.. I will miss him. And I will never forget the good things he showed me. And all the things I learned from him. I am sorry to say that I was not around to talk to him in the last couple years But everytime I ever thought of him.. The words that came out of my mouth was Uncle Tim.. My heart goes out to the family. I will never forget him. And thank you god for putting him in my life...
