“ There has never been a woman who opened her home more to a bunch of loud giggling young girls as Mrs. Horn did. What patience she had! I remember her with great fondness and remember too all the fun times I had with Linda growing up. I always thought you had the greatest Mom! My love thoughts and prayers are with all of you especially Linda Janna and Mr. Horn.

“ Please accept my deepest sympathy. Our mothers were such good friends for so many years and I have many happy memories of all the time Linda and I spent going back and forth across the street when we were young.
