“ Jeff and family My thoughts and prayers are with you all. I have many wonderful memories of growing up as a friend of Jeffs in Miller. We had more fun than anyone can imagine and in a great neighborhood. Im sure you have a multitude of great memories of your mom from which to draw peace and comfort from. She seemed like a great lady that I wish I had known better. (Ill always remember the bell!)

“ My thoughts and prayers are with you and your family at this time of sorrow. Not knowing your mother but knowing you she had to be a great lady.

“ Dear Sucec family While I havent seen you in decades seeing Wandas photo brought it all back. She is just as I remembered her. Jeff as a kid I remember your Mom ringing a triangle or cow bell at lunchtime letting you know it was time to come home. I also see her in the bleachers at your little league games rooting you on. And in the concession stand helping out when they were short-handed. Whenever I saw her there was always a smile on her face. I hope that your memories of your loved one will comfort you along with family and friends. I know this is a difficult time and there will be a void in your hearts forever. Please accept my condolences at the loss of your loved one. Sincerely Debbie Pastor (Bobs sister from the old neighborhood Birch Place Miller IN)
