“ Linda I was sorry to hear of your fathers passing. I am sure that you can take comfort in knowing that he is going to be OK now in his new heavenly home. That has been a comfort for me when my loved ones have passed from here. If you need anything just let me know! Please share my condolences with your mom-- even though I do not know her I feel like I do after talking about life and families for the last several years at Koinonia. Love Valerie
